# SAVING ON YOUR NEXTSTELLIS IS EASY

Your doctor has sent your NEXTSTELLIS prescription to Blink Pharmacy Plus. We will work with your healthcare provider to manage your benefits, identify your copay, and arrange free home delivery.

## How it works

### Step 1: Blink will contact you

Now that your doctor has sent your prescription to Blink Pharmacy Plus, one of our agents will call or text you with a confidential link to see your profile.

### Step 2: Check out online

We work with your insurance to apply all eligible savings to your copay. We'll let you know when it's time to check out so you can pay online and confirm your delivery address.

### Step 3: Deliver to your door

Delivery is always free.  
Pharmacy pickup may also be available.

If you would like to transfer your prescription to another pharmacy, you may do so at any time.

## Prefer to register over the phone?

No problem. You can still receive all the same benefits, including savings offers and free delivery, by completing these steps over the phone.
